RECEIVED APR 18 1985

Dear Mr. Domenici,

This is both a request for information and a complaint. Raoul Wallenberg has officially been a US citizen for quite some time now. What exactly are the executive and legislative branches of government doing to find out his whereabouts? Has the State Department done anything but bureaucratic paper-shuffling? I am sick of waiting!!!!

What have the legislative bodies done since the token effort of declaring Mr. Wallenberg a citizen? Right now is a perfect time (with the recent exchanges between our heads of state) for us to actually accomplish something. Maybe this is the Soviets' big chance to feed us propaganda that they really don't hate Jews after all and either release Mr. Wallenberg or conclusive information about his fate.

Maybe, too, this would be a chance for Congress to demonstrate their good will by demanding some kind of information. It might just alleviate post-Holocaust Jews' fears that our lives don't really matter to anyone but ourselves. Please show us something more than a token concern.

Sincerely,

B6
